- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund. The employer also makes a matching contribution towards the fund. Out of the 12% employer's contribution, 8.33% (to a maximum limit of Rs.541/- per month) is remitted towards Employees Pension Scheme. All employees are thereby eligible to draw pension after superannuation.
- **Gratuity:** As per statutory requirements, it is employer's statutory liability to pay 15 days Basic salary (15/26 of a monthly Basic) for every completed year's service to each of his employees on their exit, for any reason after five years of continuous service, subject to maximum limit of Rs. 10.00 lakhs at present.
